

MOTION BY SUPERVISOR ZEV YAROSLAVSKY

April 24, 2012

“National Crime Victims’ Rights Week” is a nationwide observance that commemorates a determination to reach out to every crime victim, a laudable goal to which the County of Los Angeles is deeply dedicated.

For more than 34 years, this program has aimed at fulfilling the promise to protect the rights of these victims through service programs on their behalf throughout the County, and through the District Attorney’s victim-witness assistance program, and has strived to improve advocacy, compensation, and restitution for victims of crime.

I, THEREFORE, MOVE that the Board of Supervisors does hereby proclaim April 22–28, 2012 as “Crime Victims’ Rights Week” throughout the County, in recognition of the work of the District Attorney’s Victim-Witness Assistance Program and all others who provide comfort and aid to victims of crime.
